**RE: UNITED STATES v. KAMAR BOATMAN
CASE NO.: 5:18-CR-185 (NAM)**

Dear Judge Mordue:

The defense has reviewed the government's request to set this matter for trial. (Dkt. No. 49.) The defense has no objection to a trial date being set. The defense requests that the Court also set a new motion deadline date. As the Court noted in its order of January 3 (Dkt. No. 47), the defendant's motion to compel was a prelude to a motion to suppress evidence. The defense requests two weeks to prepare and file that motion.

Thank you for your attention to this matter.

Very truly yours,

OFFICE OF THE FEDERAL PUBLIC DEFENDER
